Supreme Court Clerk,

RE; Court Rule no. 2003-47

Please forward my comments to the Michigan Supreme Court.

I am against the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan asbestos diseased victims their right to a jury trial.

I worked 36 years in a chemiclra research lab. and had heavy exposure to various forms of asbestos materials. I do not want to lose my rights fo file asbestos suits.

Thank you.

Sincerely,

*Ronald H. Cooper*
